Company Policy on Bag Checks for Tournament and League Play

Due to continued violations of outside alcohol and other prohibited items being brought into the park, below is a company policy that will be enforced starting Friday, March 24, 2023.

- All bags and wagons will be checked during league and tournament play.
- Coolers will still be allowed in the facility, but they must contain only allowable items. These coolers are also subject to inspection when inside the facility.
- Any prohibited items found during the inspection must be returned to your vehicle. BLD is not responsible for holding these items.
- If outside alcoholic beverages are found, the violator will be removed from the park and will be subject to a one-week suspension.
 - The name of the violator will be recorded.
 - Any additional violation with outside alcoholic beverages by the same individual will result in a suspension for a minimum of 6 months.
 - This suspension will be from all BLD facilities for both league and/or tournament play.
